Sir:

Applicants filed the application covered by the caption indicated above on October 15, 2001. The signatures of the inventors were, however, missing on the DECLARATION. In response to the filing, the United States Patent and Trademark Office issued a NOTICE TO FILE MISSING PARTS OF APPLICATION - FILING DATE GRANTED document (FORM PTO-1533). That paper documented the fact that the

filing date was granted for the application. Further, however, it documented a requirement that a properly signed Declaration in compliance with 37 CFR \$1.63, identifying the application by Application Number and Filing Date, be submitted. That paper also required that a surcharge in the amount of \$65, for a small entity, be submitted.

It was further noted that the application did not comply with the regulations because the drawing sheets did not have the appropriate margins. Substitute drawings in compliance with 37 CFR \$ 1.84 were required. In response to the document issued by the United States Patent and Trademark Office, Applicant hereby takes action to comply with the requirements imposed. Please find transmitted herewith substitute drawings in compliance with 37 CFR \$ 1.84 having the appropriate margins.

Please find enclosed the "RESPONSE" copy of the NOTICE TO FILE MISSING PARTS OF APPLICATION - FILING DATE GRANTED document, a Declaration signed by the named inventors, and a check in the amount of \$65.00 (the amount of the surcharge for a small entity), five (5) sheets of drawings, a Petition for Extension of Time and a check in the amount of \$55.00 for a one month extension.

In view of the action taken herein, Applicant would submit that the requirements imposed by the NOTICE TO FILE MISSING PARTS OF APPLICATION - FILING DATE GRANTED paper have been complied with. It is, therefore, requested that the application be passed for

issuance of the formal FILING RECEIPT document.

Please charge any deficiencies or credit any over payment to  
Deposit Account 14-0620.

Respectfully submitted,

George E. Anderson et al.
